Department of Health
OFFICE OF THE SECRETARY

DEPARTMENT MEMORANDUM

No. 2018 - 0400

NOV 20 2018

FOR: ALL DIRECTORS OF BUREAUS, SERVICES, and CENTERS FOR HEALTH DEVELOPMENT, MEDICAL CENTER CHIEFS OF DOH HOSPITALS and DOH-DESIGNATED HIV TREATMENT HUBS, DOH ATTACHED AGENCIES, and KEY PARTNERS from the LOCAL GOVERNMENT UNITS, HEALTH SERVICE PROVIDERS of PRIMARY HIV CARE FACILITIES, PRIVATE SECTORS, NON GOVERNMENT and COMMUNITY-BASED ORGANIZATIONS, and OTHERS CONCERNED

SUBJECT: Directory of DOH-Designated HIV Treatment Hubs and Primary HIV Care Clinics in the Philippines

The Department of Health (DOH) continually commits to ensure that free antiretroviral therapy (ART) and other comprehensive Human Immunodeficiency Virus (HIV) prevention, treatment, care, and other support services shall be made available and accessible to all People Living with HIV (PLHIV) at the DOH-designated HIV treatment hubs and primary HIV care facilities across the country.

The DOH Administrative Order No. 2017-0019 or the Policies and Guidelines in the Conduct of Human Immunodeficiency Virus (HIV) Testing Services (HTS) in Health Facilities defines HIV treatment hub as a hospital with an organized HIV and AIDS Core Team (HACT) that facilitates in-patient and out-patient prevention, treatment, care, and support services to People Living with HIV (PLHIV) including but not limited to HIV testing services (HTS), clinical management, patient monitoring, and other care and support services.

On the other hand, a Primary HIV Care Clinic refers to a private or public health facility that provides out-patient primary care services to PLHIV including but not limited to HTS, clinical management, patient monitoring, and other care and support services.

Please refer to the attached **Directory of DOH-Designated HIV Treatment Hubs and Primary HIV Care Clinics in the Philippines**.

This is for your reference and for immediate dissemination.

By Authority of the Secretary of Health:

MYRNA C. CABOTAJE, MD, MPH, CESO III
OIC – Undersecretary of Health
Public Health Services Team
